Suitable for extinguishing cooking oil pan fires.

Product	Firexo Pan Fire Extinguishing Sachet
Model/product no.	809-765-347-786
Capacity	0.12 litres
Product weight	200 grams
Product length	330 mm
Product width	70 mm
Working temperature	0 °C / +60 °C
Warranty	1 year
Testing standard	BS PAS 2013-1:2013
Fire ratings	3F

Up to 3L Cooking Oil

Quick & Easy Application

Method of Use

Turn off the heat source. Carefully place the sachet onto the pan, keeping it at arm's length, and release immediately. The sachet will dissolve and the liquid will extinguish the fire. Avoid inhaling fumes. Once the fire has been extinguished, leave the pan to cool for at least 30 minutes. Once cleaned, the pan is safe to use again.

WARNING! Do not put hand within 10 cm of burning pan for more than 4 seconds. The maximum volume of cooking oil must not exceed 3L. Contains potassium carbonate. Causes skin and eye irritation. Do not throw. Do not open the sachet before use. Dispose of the used product with mixed waste.
Keep out of reach of children.
